Carers conference

Do you care for a family member or a friend?

This event, which has an adult focus but is open to all carers, aims to reach out to carers and share good practice, improve care strategies and help support those caring for a loved one in the wider Warwickshire community. Making sure that carers have access to the help they need.

Talks and information will be provided from carers, SWFT, Specialist Nurses, WCC and various care/volunteering charities, ranging from 'Kissing it Better' to 'Pets as Therapy'.

All members of the community, that are currently caring for a family member/loved one are invited.

Lunch and refreshments will be provided.
